Two years ago on Christmas Day,
Chandler was given up in Ciay, N. Y.,
by his home physicians. He had dropsy to the bursting, nearly 50 per cent.
albumen and early death was looked
upon as certain. The family was in

They learned that the recovery was effected by Fui-ton's Renal Compound, and Chandler ton's Renal Compound, and Chaudler was put on it that day. It was a very hard case and recovery was slow, but about a year thereafter he was able to return to employment. The above anniversary tells the rest.

Wonder what physicians think of all this, who are wedded to nitro glycerine, digitalis and Bashum's Mixture, under which failure is almost certain in cases like the above.
